

UNESCO # ForYouth

## UNESCO's Strategy on Youth

---

*" UNESCO aims to be*

*a platform*

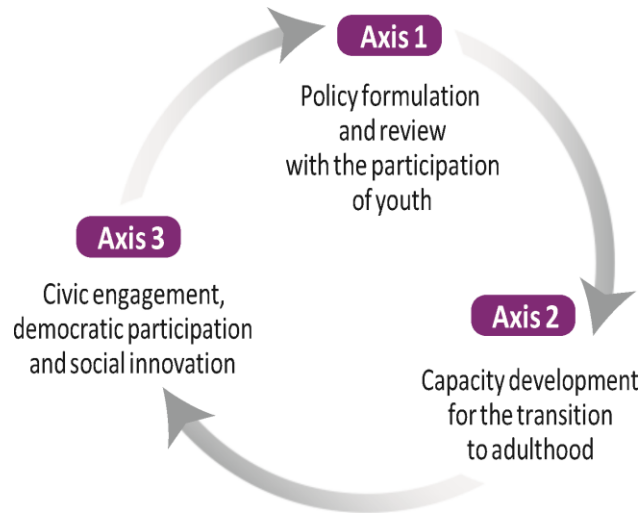

*and catalyst*

*for change,*

*where the youth co-creates*

*what the youth needs. "*

---

### **AXIS 3 # Civic Participation # Youth**

---

*"UNESCO facilitates the development of youth participation processes*

*from the local to the global level*

*emphasizing **leadership** development opportunities*

*for **marginalized youth.**"*

---

## Recommendations #by Youth

*Endorse work of youth organization*

***connecting** them to partners.*

*Encourage **policy-makers to engage***

*with youth projects.*

*Connect young people to **media** to*

*raise youth issues.*

---

## Case Study 1 : Civic Participation #through Sports

---

*The Caribbean Sport Compass*

*Regional **youth-led** “Task Force”*

*supporting youth-led grassroots*

*programmes*

*dedicated to **youth empowerment***

*through sports*

---

## Case 2: Civic Participation #through Networks

---

*Caribbean Youth **Network***

*on Climate Change*

*Using **Speed Mentoring** as a  
peer-to-peer **capacity-building***

*approach*

---

*Caribbean  
youths, architects  
of our own future*
